## REX'S MISTAKES *May Sale Starts May 2nd*

Why do I make the same mistakes over and over again? I just can't help myself. Frequently I just buy the wrong jewelry. Most of the time I love the quality but costs too much to make it a fast seller. Or, more commonly, I have moments of delusion and think I can sell a zillion pieces, so I order too much. Twice a year I have to fix my mistakes. See us in May . . . These mistakes could be a benefit to you - you will see the value, if you like it - it will be a bargain.

### *Travel Jewelry*

Very few of our clients visit Hawaii, Mexico, Europe or the "Big Apple" with their fine jewelry - just makes sense to leave the baubles at home vs. wearing it on the beach or leaving it in the hotel room.

### *Deal of the Century*

You have to check out this Travel Collection of fine Italian silver and some great faux pieces. In May, everything is under \$200. One fabulous Bracelet will sell for only \$12.80. You have to see this and there's more. We'll give you the rest of the story when you come in. Just ask for - "The Deal of the Century."

Best,

Rex
